**Tolerance:** Unless otherwise specified.

---

**PCB Holes Diagram**

- DIP 90° TIP:
  - 0.15
  - 1.18

---

**Ordering Information**

- JR-Nickel-1in-1500n" (Contact Plating: Nickel-1in-1500n)
- JR-Nickel-1in-1200n" (Contact Plating: Nickel-1in-1200n)
- BS-6-V**0.0004**

---

**NOTE**

- All dimensions are given in millimeters.
- Tolerances are ±0.025 unless otherwise specified.
- Electrical performance as described in the technical datasheet.
- For more details, refer to the official documentation.
